PERSONAL STATEMENT

I am a graphic designer, web UX / UI, I currently work in Barcelona (Spain). I love everything that has to do with design, development and usability. Branding, wordpress, sketch, AdobeXD, product design, video editing, online courses designer, and I feel a true devotion to art.

I have 15 years of experience working as a freelancer and working as a hired in different projects or studies, but I'm ready to visit other countries and to work in any study or design project !.

I love working with people, especially if they have the same passion what do I have for what they do.
